Grow With Us In 1948 We are planning big things for this coming year at Newcoast. Our 1948 plans include: 1. The development of a "Plans to Planting" Landscape Department. We will draw up suitable plans and do the actual planting of your home—the lot or country acreage. 2. Our sales staff will be doubled, with courteous, trained, and experienced men to give you the best possible service. 3. Further increase our inventory—which now includes over 275 varieties of shrubs, vines, trees, and camellias. 4. Bring you the finest quality plants at the lowest possible retail prices that will give us a fair return. 5. Offer you the best in fruit trees that money can buy, but only in those varieties that are suitable locally. 6. Present liberal discounts on the larger orders, and quantity purchases of shrubs, trees, vines, camellias and roses. 7. Further development of our phone and mail order business, which is becoming so popular. 8. Present you with an itemized list of everything you buy that not only will show you the exact cost of each item, but the names of all plants. 9. Offer free delivery service to your door of any large or bulky orders that cannot be conveniently carried. 10. Further continuance of our back order system, wherein we locate for you special hard to find items, or large specimen plants not in our stock. 11. Last, but by no means least, the continuance of our offer of gratis plants on orders that are not quite large enough to warrant special discounts. No order too large or too small for us to handle. A VERY HAPPY NEW YEAR TO YOU ALL! Newcoast Nursery Newton St. Off Coast Highway (1 Mile East of Walteria) Closed Wed. and Thurs. This Week For Classified Ad Service Phone Torrance 444.
